This gallant and energetic officer left me about a. m., or half-past 9, and galloped off quickly to

mens, and shells were thrown by Land. Woodfall extends your into the woods beyond our lines as they reducily extended, care being taken to annoy the iefully of the battery on the right. Messengers our Harrison's Island informed me, soon after the rival of Col. Baker opposite the island, that he was orating his whole force as rapidly as possible, and and the had caused an additional flat-hoat to be rafted out the canal into the river, and had provided a line

the morning a sharp skirmish took place een two companies of the 20th Massachusetts about 100 Mississippi Riflemen, during which dy of the enemy's cavalry appeared. Colous then fell back in good order on Colouse's len Presently he again advanced, his men ving admirably, fighting, retiring and advancing rifect order, and exhibiting every proof of high age and good discipline. Had the cavalry tag party, sent him in the morning, been with then he could have had timely warning of the oach of the superior force which afterward whelmed his regiment. Thinking that Colonel er might be able to use more artillery, apatched to him two additional pieces, sup-salt by two companies of infantry, with directions dispatched to aim two additional pieces, sup-tied by two companies of inf. ntry, with directions come late position below the place of crossing, in report to Col. Baker. Col. Baker suggested this meetl, later in the day, just before the gans on six way arrived.

fier Col. Devens's second advance, Col. Baker at to the field in person, and it is a matter of rette me that he left no record of what officers and he charged with the care of the boats and insurther regular passage of troops. If any were reed with this duty, it was not performed, for re-unforcements as they arrived found no one in mand of the boats, and great delays were thus asked to the landing, guarding the boats, their full early would have been made serviceable, and sufferness would have been massed on to secure such these would have been massed on to secure such these would have been massed on to secure such these would have been massed on to secure such these would have been massed on to secure such these would have been massed on to secure such these such such that the secure such that t apacity would have been made serviceable, and surcient men would have been passed on to secure sucess. The forwarding of artillers before its supporttog force of infantry also impeded the rapid
essembling of an imposing force on the Virginia
shore. It the infantry force had first crossed, a difercence of 1,000 men would have been made in the
frantry line at the time of attack, probably enough
france and England. given us the victory.

Between 12 and 1 p. m. the enemy appeared in rea in front of Col. Devens, and a sharp satisfies sand, and was maintained for some time by the sin Massachusetts, unsupported, and finding he ould be ould anked, Col. Devens retired a short stance and took up a position near the wood, half naile in front of Col. Lee, where he remained until o clock, when he again fell back, with the approval Col. Baker, and took his place with the portions the 30th Massachusetts and 1st California, which described a grayed. d arrived. Col. Baker now formed his line, and waited the

tack of the enemy, which came upon him with reat vigor about 3 p. m., and was well met by our roops, who, though pitched against much superior

sambers, three to one, maintstude their ground, under a most destructive fire of the enemy.

Col. Coggewell reached the field amid the heaviest fire, and came gallantly into action, with a yell which wavered the enemy's line.

Lieut. Bramhall, of Bunting's Battery, had succeeded, after extraordinary exertions and labor, in bringing up a piece of the Rhode Island Battery, and bringing up a piece of the Rhode Island Battery, and bringing up a piece of the Rhode Island Battery, and bringing up a piece of the Rhode Island Battery, and the contact woulded, and the pieces were hauled to the rear, but the deader of builts, while cheeving his men, and by his own example sustaining the obstants resistance they were making. PRESENTATION OF COLORS—DEPARTURE OF THE

PRESENTATION OF COLORS—DEPARTCRE OF THE BARNEY RIPLES.

A presentation of colors to the Fifty-fourth Regiment N. Y. S. V. (Barney Rifles), took place yesterday afternoon at their encampment, Hudson City, N. J. The colors, consisting of a splendid standard, two guidons, and the Stars and Stripes, were the gift of the Collector of the Port, in honor of whom the regiment is named.

The regimental flag, richly embroidered and inving the State arms and the name of the regiment, was presented by William Allen Butler, in a nest and appropriate speech.

bayous of the Mississippi, precipitated upon the plantations of South Carolina or Alabama, burning with the recollections of their country's wrongs, and recalling the fearful atrocities committed upon their New-England brothers at Bultimore, Bull Run, and Ball's Bluff."

THE KEYSTONE STATE AND HER PRIZE The steamer Keystone State, Capt. Scott, arrived at the Navy-Yard last evening, with her prize, the steamer Salvor. The capture of the Salvor and solvequent proceedings at Key West were fully detailed in The Bulletin of yesterday. The Keystone State encountered a very heavy gale when a little outh of Hatteras. On Monday morning last, one hawser parted, and the machinery of the prize being dispared institutions, as forming one of the brightest.

to our country's call made by such men as composed to our country's call made by such men as composed the regiment of "Hiram Barney Rifles."

Col. Kezhay and Lieut.-Col. Hoch responded in what they termed soldier's speeches—short and to the purpose.

After the presentation, a "black flag" or standard of the Schwarze Jägers was given into the basds of the standard-bearer by one of the officers. About 3 o'clock yesterday afternoon the camp was broken up, and the regiment left for Washington in the 6-o'clock train. The regiment numbers 164—officers and same—all Germans, many of whom have seen service.

A number of sentlemen, desirous of obssining a knowledge of military affairs without perma-soily joining a military or ganization, have associated stemelyre together, purchased arms, secured instructor, with room, kee, for the above purpose.

Knowing ibsect are many, like ourselves, who are prevented from planig the army, owing to circumstances beyond their eastful also, that many are willing and ready to do so as soon as it shall appear necessary to resort to drafting, a thorough knowledge of military tatles would prove of great value in advancing those possessed of the same to positions which otherwise they could not command, together with a desire to foster a military spirit, especially at the present time, we have been induced to invite cooperation from our friends in forming classes for obtaining such military knowledge.

To cover the expense of cent, gas, &c, there will be monthly due to 6 \$1. Instructor's fees, use of arms, &c, fee.

A class will be formed on Friday creating, Nov. 1, 1961, at Nov. 93 and 95 Sixth avenue, third floor, at 9 pm.

THE HIGHLANDERS.

Capt, H. A. Ellis of the 70th Highlanders is now in command of the recruiting station in this city.
